College Comparison Worksheet Evaluate each school in the areas listed below and then compare your evaluations.

School Characteristics			
ACADEMICS Class legation (are as of assume as the colors)	School 1	School 2	School3
Class location (on or off campus, online)			
Class scheduling (when classes are held)			
Program of study (majors and minors)			
Student-to-faculty ratio (class size)			
Faculty experience and expertise			
ADMISSIONS			
Admissions or placement tests			
Applications forms (school, common, online)			
Credit for prior learning (i.e. AP classes)			
Deadlines (early decision/action, rolling, open)			
Selectivity (open, liberal, traditional, selective)			
Total first-year applicants			
> % accepted / % who actually enrolled			
> average GPA of applicants			
> average SAT/ACT scores			
CAMPUS ENVIRONMENT			
Campus facilities, equipment, and services			
> computers and internet access			
> food service (cafeterias, etc.)			
> health care			
> housing (on campus/off campus)			
> library			
> recreational			
> sports			
> transportation (parking, buses, etc.)			
Freshman allowed cars			
Campus safety			
Campus setting (urban, suburban, small town, rural)			
Geographic location (distance from home)			
Religious affiliation			
Sororities/Fraternities			

Number of undergraduates enrolled	STUDENT BODY	School 1	School 2	School3			
> % of minority students > % of students 25 or older > % of minority students > % of students from out-of-state/country > % of students who live on campus % of students who return the following year % of students who graduate % of graduates employed within one year COST Application fee > fee waiver available?
