All tryouts will be held at The Links of Challedon Golf Course located off route 27. Ideally players should be able to shoot 45 or better. Please know that this is a **Varsity team** and we will have to make cuts at the end of Friday tryouts. Our team usually consists of approximately 10- 12 players.

Tryouts will consist of evaluations on the driving range (using various clubs), chipping, and putting. You will also be required to play 9 holes. We are looking at attitudes, integrity, and overall ability. Parents/Spectators are not allowed on the course during tryouts

Requirements to Tryout (NO EXCEPTIONS !!!!)

All players must complete Family ID Registration PRIOR TO TRYOUTS – This is an online registration for all fall Athletes. Physicals can be printed from Century High School Website under the athletic forms section.

- Physicals (All players trying out for the team must have a physical on file that has been completed by a doctor. Physicals are good for 13 months) **It can also be turned in over the summer to the main office, or Ashley Hoyt (Athletic Director). If you are computer savvy enough you can upload it to Family ID**
- **Players must have your own set of clubs. You will be expected to be able to carry or use a pull cart as you will be walking the course, this includes for tryouts and all matches.**
- **Proper golf attire (Males can wear dress shorts and a polo, Females can wear dress shorts, or skirt/skorts and polo. You may also wear pants/slacks...NO Tee shirts and... NO mesh shorts). Tennis shoes are fine or golf shoes.**

Expectations if you make the Team

- Be a **student first, (academically eligible status)**, athlete second. **(I take this very seriously)**
- Be a positive role model on and off the course.
- Purchase a team uniform polo(2), hat.
- Always demonstrate a positive attitude and demeanor. We are guests at the courses we practice/play and must always act accordingly!!! Inappropriate behavior will not be tolerated and could lead to immediate dismissal!
- Attend practice 3 to 5 days per week. The schedule will be given to all players after cuts are made. (SportsYou app)
- Make arrangements for rides to and from practices. On scheduled home matches, there will be no bus provided to and from Challedon, our home course.

Make sure you get out and work on your game this summer before tryouts, which means practicing all aspects of the game. Tryouts will be used to evaluate your complete game, **not give lessons!** I recommend that you spend lots of time on the range, chipping, putting, bunker play, and of course getting out and playing 9 or 18 holes counting all your strokes.

Good luck to all!!!!
